Dear Mrs. Roux,

I am afraid it is practically impossible to give you accurate prices for Vantongerloo's work as Vantongerloo sold nothing during his life time and very few works of his have appeared on the market. He is not generally known in Europe and certainly far less appreciated than he should be. The highest prices fetched in recent years for the few works which have appeared on the market are between £2,000 and £4,000 for paintings.

Yours sincerely,

Tony Reichardt
